

ANTONY GORMLEY

ALTERED STATES, GALLERIA MIMMO SCOGNAMIGLIO, NAPLES, ITALY, 2006

24 February - 15 April 2006

An exhibition of two sculptures in two rooms, one devoted to mass, the other to energy. *SUSPENSION* (2005), made from 370 kilogrammes of steel blocks, stood on the ceiling. In the next room Antony Gormley presented *FEELING MATERIAL XIII* (2004), a 1.5 kilometre unbroken loop of 5 mm square stainless steel. *ALTERED STATES* explored the potential objects have for turning the inherited space of a room into an imaginative space.
