## **ANTONY GORMLEY**

ALTERED STATES, GALLERIA MIMMO SCOGNAMIGLIO, NAPLES, ITALY, 2006

24 February - 15 April 2006

An exhibition of two sculptures in two rooms, one devoted to mass, the other to energy. SUSPENSION (2005), made from 370 kilogrammes of steel blocks, stood on the ceiling. In the next room Antony Gormley presented FEELING MATERIAL XIII (2004), a 1.5 kilometre unbroken loop of 5 mm square stainless steel. ALTERED STATES explored the potential objects have for turning the inherited space of a room into an imaginative space.
