

ANTONY GORMLEY

GENESIS – THE ART OF CREATION , ZENTRUM PAUL KLEE, BERN, SWITZERLAND, 2008

26 January - 27 April 2008

Antony Gormley exhibits BODIES IN SPACE IV (2001) in GENESIS - THE ART OF CREATION, a group exhibition which explored parallels between the production of a work of art and scientific research. The exhibition highlighted unexpected methodological and aesthetic kinships between the avant-gardes in art and life sciences.
