

ANTONY GORMLEY

HERE AND NOW, SERPENTINE GALLERY, LONDON, ENGLAND, 1995

19 June - 02 July 1995

HERE AND NOW celebrated the Serpentine Gallery's achievements over the past twenty-five years and offered a unique opportunity to see work by some of Britain's best-known artists. Over thirty artists were exhibited, from established senior figures to younger, contemporary sculptors. Henry Moore's 'Reclining Figure: Festival' (1995) was seen alongside the sculpture A CORNER FOR KASIMIR (1992) by Antony Gormley.
